W. P. Fraser, Esq.,
Secretary, York Club,
Toronto.

Dear Mr. Fraser:

We have added two Professors to the staff of the University to take the place of Professors Macallum and Prodie, who were formerly members of the York Club. These gentlemen are Dr. J. J. R. Macleod and Dr. T. Brailsford Robertson, both men of outstanding rank. I should like to have them nominated as members of the York Club. If I am competent to make the nomination I shall be glad to do so.

Yours sincerely,

President.
